

Poppy Post

Year 2

Autumn term

'Working together-aiming high.'

Welcome to this term's newsletter.

Dear Parents /Carers,

This term as well as Literacy, Maths and Science we will be following two themes: **People who help us** and **How fast can a fire spread?**

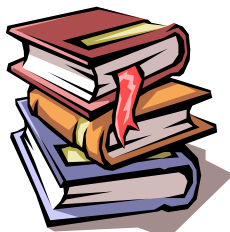

In the first half term, we will be looking at ourselves, people who help us and keeping healthy. We will also look at the work of the artist Pablo Picasso to inspire our own Picasso style portraits.

After the half term break, we will be learning about the Great Fire of London. We will group materials and study how they change when heated. In art and design technology we will create scenes from the Great Fire of London.

Reading:

Thank you for all your support when hearing your child read. We would be grateful if you could listen to them read, ask them questions about the book and help them with any problems they have. Please sign their diary every time you hear your child read. Children receive class dojo rewards for reading their books.

PE

Children need to have their PE kit in school every day. They need tee-shirt, shorts and trainers for indoor sessions and sweatshirts, jogging trousers or leggings for outdoor sessions. All children **must have** their earrings removed on their PE day. Please bear in mind that we are not able to remove them or to cover them with plasters.

Currently all year 2 children have PE on a Tuesday.

Homework:

Year 2 children will receive spellings and Maths homework on a Tuesday, these need to be returned to school by the following Monday.

If I have not got homework there are lots of things I can do:

Answer questions orally about my reading book

Practise number bonds to 20 e.g. $14 + 3 = 17$ so $17 - 3 = 14$

Practise number compliments to 20 e.g. $15 + 5 = 20$ so $20 - 5 = 15$

Recognise and write numbers to 100.

Learn to identify shapes e.g. triangle, square, oblong, circle, pentagon, hexagon, octagon and talk about their properties e.g. numbers of sides, corners, right angles

The expectation for the end of Year 2 is for all children to know their 2's, 5's and 10's times tables in and out of order and the corresponding division facts.

Parent's evenings

During the week beginning the 23rd October there will be an opportunity to meet with you child's class teacher to discuss how they have settled and in particular their literacy and numeracy work. Appointment slips will go out nearer the time.

Snack money:

Fruit is free in Year 2. We offer water for all to drink. We do offer milk which is must be paid for via Parent-Pay

Future dates:

w/c 23rd October 2017 – Parents Meetings

Friday 27th October 2017—School finishes for half term

Monday 6th November 2017—Back to school

w/c 13th November 2017—Assessment Week

Wednesday 20th December 2016—School finishes for Christmas

School uniform:

The children all look very smart in their school uniforms. Please could we ask that you label all your children's clothing (including PE kit, coats and footwear) clearly with their name and class, if you have not done so already. This will help us to ensure that children do not lose their belongings in school.

What to do should you need to speak to us:

Home school diaries are a great way to communicate messages between parents and teachers. Therefore, please could we ask that diaries are sent into school daily.

Mornings can be busy for all, there may not always be a chance to speak to the class teacher. To help with this Mrs Norgan (Year 2 teaching assistant) will be available from 8:45 to pass on any messages or queries you may have.

Do you have any talents or skills that you could share?

Come and join our Poplar Street family and be part of your child's education.

Can you:-

Help hear readers?

Are you creative?

Can you tell stories?

VOLUNTEERS NEEDED!

If you have any queries, please don't hesitate to speak to us.
